## Shake, Rattle, and Roll!

1. What do earthquakes and volcanoes have in common, and how are they different?

---

---

---

---

---

---

---

2. What is the Ring of Fire? Include as much detail as you can remember.

---

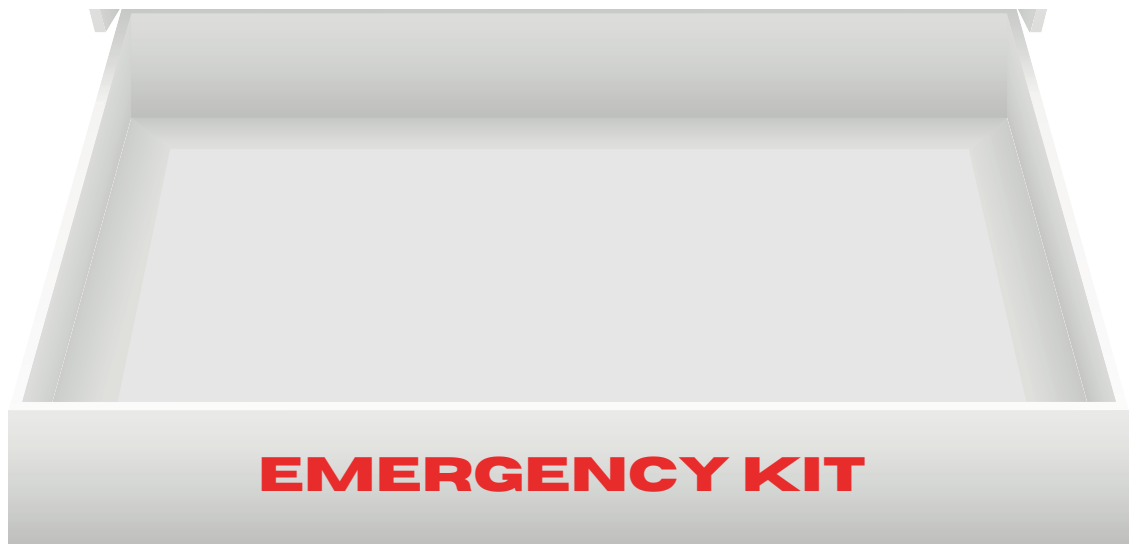

---

---

---

---

3. People who live in earthquake-prone areas keep an emergency kit that has enough supplies for their family to survive for at least three days. Write everything you think should be included in the box.

4. Have you ever felt an earthquake, or seen a volcano? If yes, what was it like? If no, what questions would you have for someone who had?

---

---

---
