

3, 2, 1.... Let's Go to _____

What are the **three** most important things you learned about this country?

If you visited this country, what are **two** things you'd like to do there?

What's **one** question you still have? Where would you go to find the answer?

Colour in the country on the world map, and label its capital. Draw a line with a ruler from where you live to the capital. If you have time, draw little pictures to remind you of what you have learned about this country.
