

All About Autism

1. Draw or write some of the things you learned about autism from this podcast.

2. This year, April 2 has changed from World Autism **Awareness** Day to World Autism **Understanding** Day. How would you explain the difference between "awareness" and "understanding"? Write or draw your answer.

3. This is a commonly used symbol for autism. Why do you think it has an infinity sign, and a rainbow?

4. Draw a picture showing an understanding friendship between an autistic person and someone who is not autistic. Write at least two sentences below, explaining your drawing.
