

Learning Disabilities

1. Tick all of the following that are true.

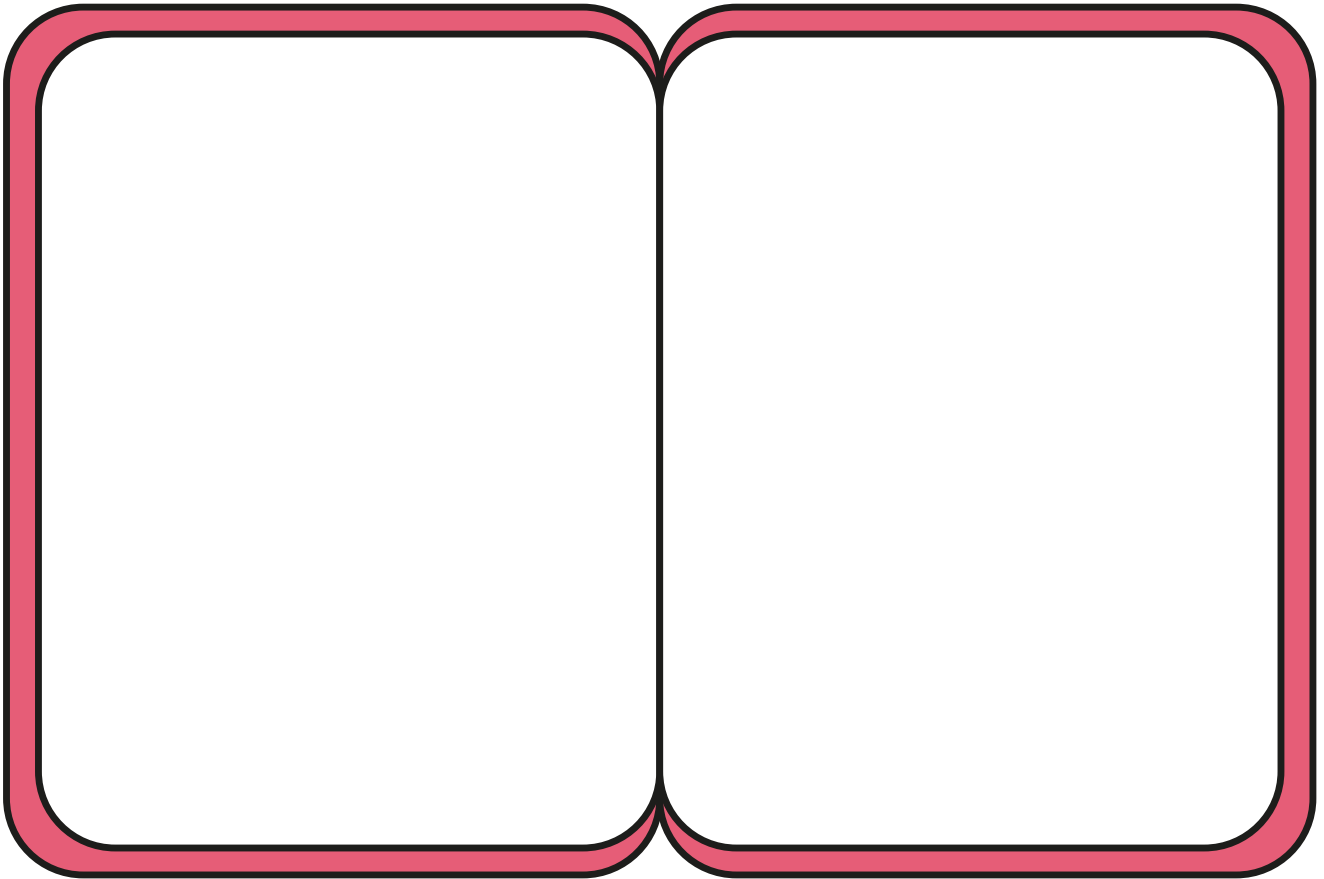

- You can still be smart and have a learning disability.
- Only boys have learning disabilities.
- The most common learning disability is dyslexia.
- About one in ten Australians have a learning disability.
- Kids with dysgraphia have difficulty with maths.
- Kids with dysgraphia have difficulty with writing.

2. Do you think it is helpful for kids with learning disabilities to hear that famous, successful people also have them? Why/why not?

3. Think about all the things that you are good at **outside** of school. Write or draw them here!

4. Listen to *Thank You, Mr Falker* using the link in the podcast episode notes. Then draw or write how the book made you feel, and what it made you think.

5. Have you had a teacher make a difference in your life? Tell the story here, or explain why teachers are important.
