

Name: _____ Date: _____

Sugar!

1. Why is sugar sometimes used to treat deep cuts? (Hint: remember that sugar soaks up liquid...)

2. How would you feel if someone wanted to pour sugar onto your cut? Explain.

3. Which is the better dessert: Ice cream, or cake? Write three reasons, with examples, for your choice.

4. We learned in the podcast about some strange confections. Now it's your turn to create a crazy candy! Design an ad for your candy below, making sure you explain what it is, and how it tastes!

5. Do you think humans should eat less fruit? How about less processed sugar? Use information from the podcast in your answer.
