

Australian War Heroes

1. Why do you think many people in the 1940s and 1950s felt that it was inappropriate for women to be soldiers, or serving in the military? How much do you think has changed?

2. Come up with a headline to describe each woman from the podcast, then write a mini-summary of the most important details of their war stories.

3. Imagine that you were a passenger on the train with Joice, and have just arrived in Greece. Express your complicated feelings in your journal.

4. There are more than three Australian women war heroes! Do independent research on Vivian Bullwinkel, Jessie Trill, or another woman of your choosing, and write the three most important details you learned here.
