

**CYCLONES,  
HURRICANES AND  
TYPHOONS**

Name: \_\_\_\_\_ Date: \_\_\_\_\_

### It's Wet and Windy!

1. What are the three different names for giant swirling storms in different parts of the world?

CY\_\_L\_\_ES

H\_\_RR\_\_N\_\_

\_\_YPH\_\_S

2. What is the calm centre of a storm called?

\_\_\_\_\_

*hint*

3. Talk to a friend and discuss why you think it is called this.

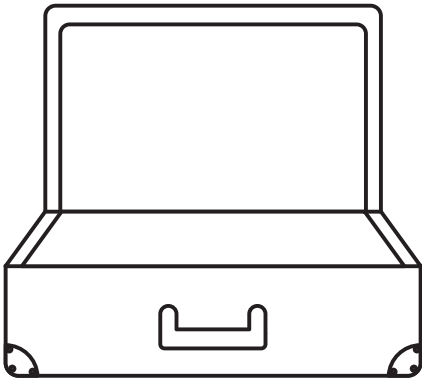

4. Draw the kind of weather that these storms bring when they reach land.

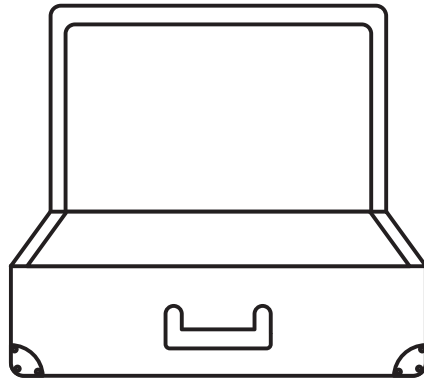

**CYCLONES,  
HURRICANES AND  
TYPHOONS**

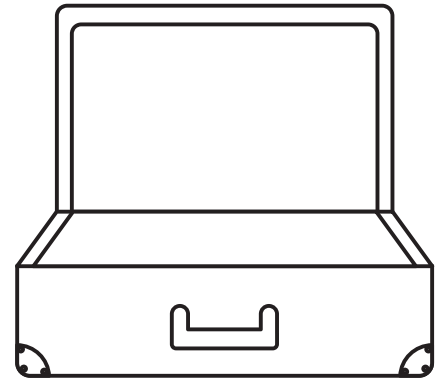

5. People who live in cyclone-prone areas keep emergency kits that have enough supplies to last their family for at least three days. What do you think should be included in kits like that? Pack the emergency kits below with supplies

Food

Equipment

Other

6. Take a look at the picture below. What is wrong with this picture?
