

## Kids v Adults Bumper Holiday S'Quiz on Under The Sea ..

I'm Bryce Corbett ...

All year in the Squiz Kids daily podcast, we've been bringing you the big news stories of the day - run through our kid-friendly filter - to make sure you know all you need to know about the world around you. And at the end of every week - we've tested how much you've retained in the Kids v Adults Weekly News S'Quiz ...

But now, because it's the holidays, we're presenting a series of Bumper Kids v Adults Quizzes .. on a bunch of fun topics - to see who's smarter: kids or adults ...

Plus we've got all this week's birthday shoutouts and all the shoutouts for the **weekend** ahead ... including the birthday reggae tune – because it wouldn't be a Friday without it.

Here's how this quiz works: ten questions for kids about Under the Sea - then ten questions for adults.

Whoever answers the most correct questions wins. Easy Peasy.

You ready? Let's do this ...

BREAK

Alright kids - here are your ten questions ...

1. Let's start with the name of this very quiz .. Under The Sea .. which shares its name with a song from which Disney movie that tells the tale of a mermaid who falls in love with a sailor ...
2. What's the name of that mermaid, in the movie The Little Mermaid?
3. Ok - enough questions about movies - what say we dive under the sea and get our David Attenborough on and start with some questions about marine life ... whale sharks are one of the biggest fish in the sea. Are they approximately the same size as (a) a school bus (b) a small car or c) a fridge?

4. How many hearts does an octopus have? Is it a) one b) three or c) 17?
5. Still on octopuses: true or false: octopuses have blue blood?
6. Which ocean creature also has the title of the largest animal on earth?
7. What is a group of fish that swim together called?
8. True or false? Great white sharks do not have bones?
9. Who am I ... I'm a sea creature that breathes through a hole in the top of my head. I can be found in every ocean of the world - and in a couple of the world's rivers too. I come in different varieties: including dusky, striped, Amazon River and bottlenose. I like to travel in pods - and I communicate in clicks and wheezes. I'm widely considered one of the most intelligent animals in the world ... I am what ...
10. How many eggs does a sea turtle lay at one time .. is it a) 5-10 b) 40-50 or c) 100-120?

Answers:

1. The Little Mermaid
2. Ariel
3. A school bus
4. B- 3
5. True
6. The blue whale
7. School
8. True
9. A dolphin
10. C - 100-120

How did you go kids? How many did you get right out of ten? Reckon you're going to beat the adults? Yeah - I reckon so too..

Alright adults - now it's your turn ...fire up the grey matter - here we go ...

1. What's the fastest fish in the sea? Is it a) a tiger shark b) a dolphin or c) a sail fish?
2. Name the sea creature, which lives in waters around the Arctic Circle which is also known as the unicorn of the sea

4. The heart of a prawn is located on which part of its body? Is it a) its head b) its tail or c) its bottom?
5. Seals and sea lions are often confused with one another .. but what do sea lions have that seals do not? Is it a) whiskers b) ear flaps c) a mane?
6. What body part does a walrus use to locate its prey?
7. True or false .. the moray eel is known for constantly opening and closing its mouth - which it does as a threatening gesture to scare off attackers ... (False - they don't have gills so they do it to breathe)
8. How much of the Earth's surface is covered by ocean? Is it a) 51% b) 71% or c) 81%? (b) 71%
9. True or false. If a great white shark stops swimming, it will die?
10. How many oceans are there on planet Earth?

Answers:

1. Sail fish - can swim at up to 110 kms/hour
2. Narwhal
3. True
4. a) its head
5. B- external ear flaps
6. Whiskers
7. False - they don't have gills so they do it to breathe
8. B - 71%
9. True ... they rely on water passing through their mouths and through their gills to extract oxygen to breathe.
10. Five: Pacific, Indian, Atlantic, Arctic and Southern.

How did you go adults? How many did you get right?

Did you beat the kids? Who won bragging rights this week?

That's the end of the quiz - which means now it's time for ...

## **SHOUTOUTS!**
