

## 3, 2, 1.... Let's Go to \_\_\_\_\_

Write **three** questions for your classmates about this country. They must be either inferential or opinion questions - not about basic facts!

1. \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

2. \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

3. \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

What are **two** things about your life that would change if you lived in this country?  
Why and how would they change?

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

What's **one** question you still have? Where would you go to find the answer?

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

# SQUIZ

1. Colour in the country on the world map, and label its capital.
2. Draw a line from where you live to the country. How far is it from your house to the capital?  
(One centimetre = approximately 1,000km.) \_\_\_\_\_
3. If you have time, draw little pictures to remind you of what you have learned about this country.
