# Design your own pet!

Create a brand-new creature by mixing features from the different animals below—or invent your own! Pick some features like wings, fins, or a trunk, then combine them to draw your own designer pet. Make sure you give it a name.

Meet my .....

_____

Some special pet features can cause problems! Draw a line to match each pet feature to the problem it might cause.

Bright rainbow-coloured scales

A constantly wagging tail

Super shaggy, thick fur

Bumping and annoying other animals

Hard to hide from other animals

Can't cool down on a hot day
