Design your own pet!

Create a brand-new creature by mixing features (like wings, fins or a trunk) from different animals. **Draw** what you think it might look like, making sure to **label** where each part came from ( ← SHARK) Then, think about its looks, sounds, or abilities to **create the perfect name**.

Meet my

Write three sentences explaining why your animal would (or wouldn't) make a good pet.

Would you clone your pet? Write some reasons why you would or wouldn't in the box below, and then have a conversation with a partner about your decision.
